This program offers academically-prepared high school seniors and their parents an inside look at UGA.

TO BE ELIGIBLE, STUDENTS MUST BE:
- High school seniors in fall 2016
- Planning to apply to UGA
- U.S. Citizens, U.S. Permanent Residents or Visa Scholars
- Competitive students with a high probability of meeting all UGA admission requirements at graduation

UGA ADMISSION REQUIREMENTS
UGA does not have a "minimum" SAT, ACT or GPA (grade point average) requirement. The Board of Regents in Georgia has established minimum requirements for applicants to the research institutions within the state. UGA’s middle 50% from the 2014 entering first-year class exceeds the Board of Regents minimum requirements. Students are encouraged to compare their profile with the previous year’s class to gauge their competitiveness for admission. More information is available at the following websites.
