CLP VIRTUAL TOWN HALL RESPONSE SUMMARY

In response to the COVID-19 pandemic, community leadership program coordinators shared challenges, opportunities and action steps during the Fanning Virtual Town Hall held on April 16, 2020.

**STRESS/WORRY**

The amount of information that needs to get out to our communities can be overwhelming.

*How do we plan without having all of the facts we would like to have?*

Remember patience and grace – everyone’s dealing with the same challenges.

You don’t have to have all the answers – let’s work together and help each other.

**ADAPT**

Communicate with purpose and intention.

Cultivate your connections.

Try new ways to meet and gather virtually.

**OPPORTUNITIES**

Let’s look at things differently and embrace the possibilities for our communities and organizations. This could help us be ready for the future!

Let’s adjust our plans to account for doing what we do best in a way that will make the biggest difference right now.

Let’s start re-positioning our committees to lead recovery efforts in our communities.

**NORTH STAR**

Continue to develop leaders in our programs to unleash their potential.

Work closely with partners and help them get their information out.

Keep everyone engaged and moving forward.
